Our Stock of Gold and Silver Coin.

A carefully prepared estimate of the amount of United States gold and silver coin in the country on October 1 has been made by Director of the Mint Burchard, which will be embodied in his annual re port before the 1st of November, in which case the amount of coin in the United States at thas time will be estimated for use on the report. The estimate is based upon the respective amounts in the country on June 30, 1879, and shows an increase since that date of \$83,390,305 in gold coin, and \$37,748,350 in silver coin. This increase is said to be from actual coinage and the net import of United States coin. The total amount estimated as in the country Oct. 1 are \$369,881,003 gold, and \$149,799,335 silver. Of these amounts there are \$67,204,-293 of gold in the treasury, and \$302,676,on June 30, 1879, and shows an increase since 293 of gold in the treasury, and \$302,676,-707 in circulation or held by banks, and \$72,454,600 silver in the treasury, and \$77,344,735 in circulation. In addition the treasury holds \$68,040,540 in gold bullion, and \$5,557,750 in silver bullion, which the mints are turning into coin as rapidly as their facilities will admit. This is a larger amount of specie than has ever before been in the country. The increase of gold bullion is from foreign gold during the past year.

Concerning a Lawyer.

A lawyer who was badgering a colored witness in a District of Columbia court on asking him if he had not been convicted of larceny, assault and arson, receiving a negative reply in every case, finally in-"Have you ever been in the penitera tiary ?"

"Yes, sah." Attorney smiled complacently and resumed: "How many times have you been in the

penitentiary? "Twice, sah." " Where ?"

"In Baltimore, sah." "How long were you there the first

"About two hours, sah." "How long the second time?" asked the attorney, rather crestfallen. "An hour, sah; I went there to white

wash a cell for a lawyer who had robbed his client.' The attorney sat down amid the laughter of the spectators.

Three-Twenty-Nine.

Washington Post. "You will, of course, support the Republican candidates this year ?" inquired an Alexandrian, yesterday, of his German Republican neighbor.

Nein," was the laconic reply. "What-not vote for Garfield?" pursned his interrogator. "Nein, Nein!" was the answer, in still more emphatic terms. "Drei-zwanzig-neun."

How Happiness is Secured. Ilappiness is the absence of pain or annoy ance, and wherever there is pain there is dis ease. A pain in the lower portion of the body indicates a disorder of some kind. If there is any odor or color or deposit in the urine it means disease and requires attention at once. We have heard many of our friends speak of the remarkable power of Warner's Safe Kidney and Liver Cure and are convinced there is nothing Liver Cure and are convinced there is nothing so certain and valuable for all disorders of the urinary system both male and female.

R. Scheutenmuller, Brooklyn, wites; Your Spring Blossom is invaluable. I have had Scrotulous sores on my legs for n number of years, and occasionally they would break out on my face. I have taken two bottles of Spring Blossom, according to directions, and now all the sores have disappeared and my now all the sores have disappeared and my skin is perfectly healthy. Prices: 20c., and trial bottles 10c. For sale by H. B. Cochran, druggist, 127 and 129 North Queen street, Lancaster, Pa. 12

Brandy as a Medicine

Mr. H. E. Slaymaker, Agent for Reigart's Old Wine Store, by a prominent practising physi-cian of this county, who has extensively used the Brandy referred to in his regular practice. It is commended to the attention of those af-

Indigestion and Dyspepsia.

BRANDY AS A MEDICINE. This now much abused Alcoholic Stimulant was never intended as a beverage, but to be used as a medicine of great potency in the cure of some of the destructive diseases which sweep away their annual thousands of victims. With a purely philanthropic motive we present to the favorable notice of invalids—especially those afflicted with that miserable disease Degreesians a sweetile removie, which is ease Dyspepsia, a specific remedy, which is nothing more or less than

Brandy. The aged, with feeble appetite and more or less debility, will find this simple medicine, ised property.

A Sovereign Remedy or all their ills and aches. Be it, however strictly understood that we prescribe and use but one article, and that is

REIGART'S OLD BRANDY,

ases. In proof of the curative powers of

Reigart's Old Brandy, In cases of Dyspepsia, we can summon num bers of witnesses—one case in particular we

A hard-working farmer had been afflicted with an exhaustive Dyspepsia for a number of years; his stomach would reject almost every kind of food; he had sour cruciations constantly—no appetite—in fact, he was obliged to restrict his diet to crackers and stale bread, and as a beverage he used McGrann's Root Beer. He is a Methodist, and then, as now, preached at times, and in his discourses often declaimed carnestly against all kinds of strong drink. When advised to try

Reigart's Old Brandy,

In his case, he looked up with astonishment, but after hearing of its wonderful effects in the cases of some of his near acquaintances, he at last consented to follow our advice. He used the Brandy faithfully and steadily; the first bottle giving him an appetite, and before the second was taken he was a sound man, with a stomach capable of digesting anything which hechose to cat. He still keeps it and uses a little occasionally; and since he has this medicine he has been of very little pecuniary benefit to the doctor.—A Paacrising Physician.
